High Achievers - Climbing to the TOP!

Congratulations to our school leaders on successful participation in the Grip Leadership conference in Cairns. In week 8 they will head to Daradgee to construct action plans for the year.

3-Way conferencing

Over the next few weeks I will be conducting some 3 way conferences with parents, students and myself. These are important as they establish learning goals for the Semester. Each child will have individual conferences with specific focus on how everyone can assist with their learning journey. I will contact you over the coming weeks to arrange a suitable time.

Every Day Counts

Attendance at school each and every day is vital for student success. Over the course of the Week, Term and Year a sequence of learning is built. Missing school limits children to reach their full potential. Please contact the school if your child is going to be away.

School promotional video

Over the next few weeks we will shooting a series of photos for a school promotional video. This video will be uploaded to our website and broadcast at the local cinema. A separate note with details will go home, but please let me know in advance if you dot want your child include in the video.

Newsletters

Newsletters will move to fortnightly updates from now on. Our next newsletter will be issued on the 27th . If you have anything you would like to submit for the newsletter please email it through.

Have a great week, stay dry!

Max

Date Claimer:

Daradgee leadership camp 19-20th March
