High Achievers–Climbing to the TOP!

Dear Parents,

I can’t believe that we are already at the end of week 6! This term is moving so quickly. Thank you to all the parents who came to our first P&C meeting, it was a great roll up. One of the key items we spoke about was fundraising for the school. A note went home last Friday about an Easter raffle, if anyone can donate any items for this it would be greatly appreciated. Thank you to the Bonney family who have organised donations and support from BCF Cairns.

We have just concluded our first round of reading testing for all the students. This testing will take place every five weeks. Over the next week I will speak with all of you to let you know how your child is progressing. We can talk about the areas for improvement and strategies that can be done both at school and at home. It is important that all students are reading every day and going through their sight words every day.

It is a busy week coming up, with a number of events happening.

- This Monday 10th March we will be having a leadership assembly at 10:30 a.m. We will be joined by Mr Curtis Pitt for this assembly to hand out our leadership badges to our school captains and student council members. All parents are welcome to join us for this. We will be having a morning tea at the end of the assembly. We will not be having a usual Monday afternoon assembly on that day.

- Tuesday 11th March we are holding our P&C AGM at 3:00 p.m. At this meeting we will be electing our executive committee. Anyone is welcome to stand for these positions. There is not a lot of work involved in any of these positions and as I have said before, an active P&C is vital in a small school such as ours. All parents are welcome to the AGM and children are fine to be in the room with us.

- Wednesday 12th March all students will be participating in a fire safety presentation.

Have a great weekend.

Liam

This week I was part of the Daradgee Leadership Camp. We did public speaking and I was the only one that did it in my school. My topic was about school discos. My friends laughed because I was very funny. I learned about how to hold back my temper. Camp was fun and the food was good and I hope to go there again.

Ariana
This week I was part of the Daradgee Leadership Camp. My favourite activity was jump rope because it was a challenging activity. I learnt about how to be a better leader and to be organised. I also learnt to be resilient. I really enjoyed the beef curry and sticky date pudding. I hope to go back real soon.

Andre`  
This week I was part of the Daradgee Leadership Camp. My favourite activity was the Jump Rope because the boys beat the girls. I learned about being a leader. I really enjoyed my leadership camp at Daradgee.

Parice
This week I was part of the Daradgee Leadership Camp. We did lots of fun games. My favourite game was Ice Breakers. It was a fun new game to meet other people. I learned about teamwork, organisation, resilience, public speaking and goal setting. I really enjoyed the activities and food. The chicken curry and the sticky
