High Achievers - Climbing to the TOP!

Dear Families,

Unfortunately Mrs Zappala's father passed away and she has been on sick leave. We are thinking of you Mrs Zappala and hope that you stay well. Thanks to Mrs Mackrill who has taken Lynn's place while she is away.

Babinda Harvest Festival

Thank you to the families that came to the Harvest Festival Parade. A special thank you to Lincoln for his trailer and ute. The kids looked great in their tie dye shirts.

Day for Daniel

Day for Daniel will be acknowledged in the school on Thursday 29th October.

Please wear red on the day. We will be running several sessions on how to stay safe with the children.

Swimming- Every Wednesday

Swimming has been going well and all students enjoy learning skills in swimming and also develop confidence around water. It was great to see the sun shining. Students need their sun-smart clothing and a towel each week.

P&C News

The next P&C Meeting will be Wednesday 28th October at 3pm. Hoping that you can attend and assist with important events this term. We are hoping that the school community can assist with donations for our Christmas raffle and these may be dropped off at the school. We are hoping to start our raffle asap and have received some donations.

Prep Transition

Advertising has begun in the Advocate for Prep Transition. If you know anyone who might be interested please let them know to call the school.

Prep Transition Days are Thursday 12th and 19th November.

I will be on long service leave from the 5th to 11th of November. Lisa Dearsley and Daniel Ingram will be replacing me and have worked in the school before.

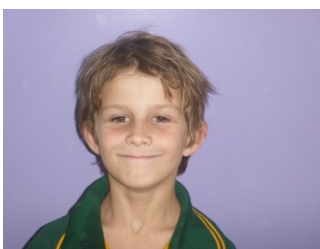

Students of Week 1 and 2

Jarraah and Riley

Congratulations!

Have a great weekend!

Danielle Weirman

Date Claimer:

- Swimming every Wednesday

Come and join us every
Tuesday at 9:00 am.

Lots of fun including:

- Painting
- Games
- Music
- Dress-ups
- And more.....

Dear Parent / Guardian

Cairns and Hinterland Oral Health Services would like to make you aware of some changes to our service. These changes are designed to improve access to our service and ensure we continue to be able to treat your children in a safe and supportive environment.

We have now introduced a Central Booking Service which will now make all dental appointments through a 1300 phone number. When it is time for your child/children to have a dental examination, we will no longer send out forms to complete and return. We will instead send out a postcard with the Central Booking Service phone number on it – 1300 300 850. Please call this number to arrange an appointment.

To ensure we provide the best care in a safe and supportive environment, we now require a parent or legal guardian to attend every dental appointment for a child at primary school and at least the first appointment for children at secondary school. Your child’s medical history will be completed at the first appointment.

Thank you in advance for your support during this transition.
