High Achievers - Climbing to the TOP!

Welcome to week five!

Time is flying it is hard to believe we are already halfway through the term. Firstly I would like to congratulate all parents on making a concerted effort to get their children to school on time every day our attendance rate is currently 94.5% - fantastic!

I would also like to congratulate all the students on completing their first assessment tasks. From speeches to typed narratives students have done a terrific job and I look forward to sharing this with parents in coming weeks.

School Arrival and Pick up

Whilst I endeavour to be at the school from 7:30 –4:00 most days they are times when I am required to be at other schools or venues. Please be aware that on these days supervision is limited to 8:30 –3:15pm . Where possible I will include in notices times where I will be away.

Class Dojo

We are using 'Class Dojo' as a behaviour monitoring tool in class. As parents you can access 'Class Dojo' from home and see what your child is being rewarded for in class—Parent Log in details are being sent home in reading folders today.

School Logo

We are looking to update the school logo if anyone would like some input on this please come and see me.

Thanks you

Thanks to Wayne for coming and mowing the area around the playground and classrooms last week. It made a huge difference if anyone would like to help keep the lawn down please let me know. Andrew (mower man) comes on even weeks. So a quick mow near the play equipment helps keep it down for the kids.

Principal Conference

I will be at a principal conference from Wednesday—Friday with every school leader from across Queensland. I look forward to coming back with new ideas to help support the school.

Have a great Week

Max
